

Dräger X-plore 3500 Half-Masks Features & Benefits

Main Features	Description	Advantages & Benefits
Strap System	Flexi-Fit Head Harness	<ul style="list-style-type: none"> • Soft, lightweight, and flexible, this head harness conforms to the contours of your head without pressure or hair entanglement. • Can be worn comfortably under helmets and visors.
	Slide-Down System	<ul style="list-style-type: none"> • Allows you to remove the mask from your face, without removing a hard hat or a faceshield. Simply open the clips on the back of your neck, and the respirator slides down from your face - and sits protected from dirt and grime.
	Innovative X-Guided Strap System	<ul style="list-style-type: none"> • Cross-over straps ensure even weight distribution and an even seal. The ultimate in comfort and protection.
Bayonet Connection	2 Point Bayonet Connector	<ul style="list-style-type: none"> • Safe and easy to use - with markings for insertion of the filter. Simply line up the mark on the filter with the mask and turn the filter into place by following the arrow 1/2 turn.
Mask Body	Constructed from DrägerFlex Material	<ul style="list-style-type: none"> • Developed especially for the X-plore 3500. Like silicone comfort is great, unlike silicone, it is free of paint affecting substances - and can be used for all painting applications.
	Flexible Nose Seal	<ul style="list-style-type: none"> • Forms a seal on all types of noses and fits great with safety glasses and goggles.
	Insert Molding Technology	<ul style="list-style-type: none"> • The mask is compact, lightweight, and consists of fewer parts. Providing supreme comfort and easy handling.
	Compact, Low Profile Design	<ul style="list-style-type: none"> • Modern, low profile design sweeps filters back - ensuring an excellent field of vision and room to easily use visors and shields.
	Smooth Surface Area	<ul style="list-style-type: none"> • Not many edges and corners for dirt and grime to hide in. Easy to clean.
	Three Sizes Available	<ul style="list-style-type: none"> • A perfect fit for every type of face.
Few Parts	Consists of Only Two Parts	<ul style="list-style-type: none"> • Easy to disassemble, clean, and reassemble. • Both parts can be cleaned in a washing machine.
Extras	Storage Bag Included	<ul style="list-style-type: none"> • All X-plore 3500 come standard with a resealable storage bag. Store your X-plore.

DrägerService

Dräger equipment must always be fully operational and safe. DrägerService offers a regular inspection service and is quickly available in the event of malfunction. Your equipment will be repaired and back in operation as quickly as possible. Dräger-Service facilitates the vital flow of information between client and manufacturer.

Dräger Expertise

Since 1889, Dräger has had an outstanding reputation for solving problems in the field of human breathing. Dräger has been deeply involved in the handling of gases, in particular hazard protection and the saving of life in medical and industrial emergencies. Many of the company's 9500 employees are active in research and innovation to ensure that the latest techniques and scientific advances are fully tested before their inclusion in new equipment.

**Dräger Worldwide**

The Dräger sales and service organisation is spread throughout the world. It comprises more than 25 subsidiaries and associated companies to ensure that Dräger is always within easy reach of its clients and in close contact with all important markets. Dräger's ever increasing market share demonstrates the company's international competitiveness and strength.

Dräger has subsidiaries in the following countries: Australia, Austria, Belgium, Bulgaria, Canada, China, Croatia, Czech Republic, Denmark, France, Great Britain, Hungary, Indonesia, Italy, Japan, the Netherlands, Norway, Romania, Singapore, Slovenia, Slovakia, South Africa, Spain, Sweden, Switzerland, Thailand, Yugoslavia, USA. Additionally, Dräger is widely represented in Central and South America, Africa, the Middle East, the Far East and Eastern Europe.

Quality and Environmental Management

Our mission includes the continuous improvement of our Quality and Environmental Management Systems in accordance with ISO 9001 and ISO 14001.
